Call for Papers

We invite you to present your most exciting research at the IEEE IEPS 2022 Conference!

IEEE 5th International Conference on Intelligent Energy and Power Systems (IEPS) will take place on September 12 – 16, 2022 in Chernihiv, Ukraine.

The aim of IEEE IEPS is to bring together researchers from the areas of Power & Energy, Power Electronics, Intelligent Control, Smart Grid and Industrial Electronics from leading Ukrainian universities, research laboratories and industry. This conference will be the place to discuss modern ideas, innovative concepts and experimental results.

IEEE IEPS is the flagship conference for IEEE Ukraine Section IE/PE/PEL Societies Joint Chapter and IEEE Ukraine Section PE/IE/IA Societies Joint Chapter. IEEE IEPS-2022 was founded by IEEE Ukraine Section in 2014. The conference was successfully held twice in 2014 and 2016 in Kyiv (Ukraine), in 2018 in Kharkiv (Ukraine) and in 2020 in Istanbul (Turkey). In 2022 Conference planning to be held in Chernihiv (Ukraine).

Conference Scope

1. POWER & ENERGY SYSTEMS
2. INDUSTRIAL ELECTRONICS AND ELECTRICAL DRIVES
3. POWER ELECTRONICS
4. INDUSTRY APPLICATION
5. EDUCATION & HISTORY

Paper Submission Guidelines

Submitted papers must be unpublished and should not be submitted elsewhere at the same time. Size of the conference paper should be 4 to 6 full A4 pages, prepared according IEEE Conference Proceedings format. All submitted papers will be peer reviewed by at least 2-3 independent reviewers.
